

CARISSA ELAINE F VARON

| Quezon City, PH | +63 9270661805 | vcarselaine@gmail.com |
| linkedin.com/in/carissavaron/ | vcarselaine-bit.github.io |

RESEARCH INTERESTS

Music Information Retrieval | Machine Learning and Deep Learning for Music and Audio | Computational Analysis and Modeling of Trained Mixing Ears | Modeling 'Musical Flow' & Immersion | Applications of Deep Learning/AI in Acoustic Data | Audio Accessibility & Visual Representation | Audio Signal Processing

EXPERTISE

Project Management | Client Segmentation | Team Collaboration | Critical Thinking | Problem Solving | Team Leadership | Creative Presentations | Statistics | Data Science

TECHNICAL/OTHER SKILLS

Programming (Python, R, SAS) | Business Intelligence & Visualization (Power BI) | Automation | Data Story-Telling | Data Engineering | Time Series (Gretl, Minitab) | Process Improvement | Statistical Modelling | Statistical Analysis | Exploratory Factor Analysis | Basic Korean Language

EDUCATION

BACHELOR'S DEGREE | BS Statistics | University of the Philippines – Diliman (Cum Laude / with Honors) 2018 – 2022
SENIOR HIGH SCHOOL | STEM | Ateneo De Manila Senior High School (Second Honors) 2016 – 2018

PROFESSIONAL EXPERIENCE

RISK ANALYTICS OFFICER | *Bank of the Philippine Islands* | *Makati City, PH* May 2023 – Present

- **Currently building a GNN framework** to predict retail lending fraud by modeling nodal features and network connectivity.
- **Developed a Power BI fraud detection engine** providing real-time compliance alerts and risk mitigation that was awarded 1st Place (Group-level)
- **Automated end-to-end data pipelines** via Python and Power Automate, streamlining file handling and team notifications.
- **Portfolio Analytics & Risk Modeling**: Executing EDA and vintage analysis across test lending programs to provide data-driven insights

RESEARCH ASSOCIATE | *Kantar* | *Mandaluyong City, PH* Aug 2022 – May 2023

- **Managed project lifecycles** for Ad Tests and Innovation studies for global FMCG and banking clients.
- **Synthesized market data** into strategic reports to drive data-driven decision-making for brand health tracking.
- **Coordinated fieldwork and client proposals**, ensuring project execution met rigorous research standards and timelines.
- **Facilitated strategic client discussions** to align research findings with specific business and marketing objectives.

RESEARCH EXPERIENCE

MUSIC & AUDIO COMPUTING (INDEPENDENT PORTFOLIO) 2026

- Comparative Performance of Traditional Machine Learning and Deep Learning architectures for Music Genre Classification
- Quantifying Human Expressivity in Keyboard Performance: A Comparative Analysis of Dynamic and Temporal Variance in the MAESTRO Dataset

UNDERGRADUATE STATISTICAL RESEARCH (UP DILIMAN) 2021-2022

- *Meron Ka?* Evaluating Menstrual Hygiene Practices and Environments Using Exploratory Factor Analysis
- Predicting the Mortality Rate of Noncommunicable Diseases Using Health, Political, and Socio-economic Indicators

MISCELLANEOUS EXPERIENCE

AWARDS AND SCHOLARSHIPS

Cum Laude, BS Statistics, University of the Philippines Diliman	2022
DOST-SEI Merit Scholarship	2018-2022
World Mathematics Invitational – South Korea (Bronze Award)	2018
International Mathematics' Wizards' Challenge – Thailand (Silver Award)	2016
International Mathematics Competition - Singapore (Bronze Award)	2014

EXTRACURRICULAR ACTIVITIES

Frontliner's Kitchen – Donation Drive Administration Coordinator	2020-2021
UP Variates – Academic Resource Committee Chairperson	2020-2021
UP DOST Scholars' Association Member under Academic Committee	2019-2022
Freelance Tutor for Math, Calculus, Statistics, and Contest Math Problems	2017-2020
NCR Coordinator for the Thailand International Mathematics Olympiad 2019	2019
Mathematics Trainers' Guild – Lecturer	2017-2019
